### ALICE & JAMES

We had such an unbelievable day yesterday, and we genuinely can't even begin to thank you enough for everything you did. Not only did you make it easy and seamless, but you made it so fun. It was such a pleasure to have you both there experiencing it with us yesterday, you feel like part of the family. We adore you all.

### PIA & CARLEEN

Planning an LGBT wedding is different in the sense that you don't know how you will be received by businesses you contact. You made us feel so special and welcome. Another note is to say thank you for how sensitively and beautifully the candles and photographs of our loved ones who couldn't be there were presented. Thank you so much.

### KIM & MATTHEW

The Bedford made our day! Everyone kept saying how great the food was. People were dancing non-stop and the bar was in full swing! Thank you so much for the bubbles on our arrival - a really special touch. Honestly, every member of staff we encountered couldn't do enough for us.

### LIZZIE & JAMES

Having the ceremony in the Club Room. It looked so beautiful with the flowers and other wedding touches, but still really unique and unusual. The decor in the room is already amazing with all the mirrors and the disco ball, so we hardly had to decorate it at all.

### KATIE & ZEIN

We'd like to express our thanks to all of the staff at The Bedford, you surpassed our expectations. We were blown away with your professionalism, artistic flare in setting up, thoughtfulness and can-do approach to the organisation. We were fairly chaotic in the run up to the big day, but so many of our guests commented that it was "the best organised wedding we've been to". It was beautiful, relaxed and (most importantly) fun - and that certainly wasn't down to us! Even our photographer commented on how helpful Becky and the staff were. A million thanks!
